

Floor flush mounted Drain

- Professional Solution .
- Made of AISI 304 stainless steel (316 on request) .
- Easy Installation & Maintenance .
- High corrosion & impact resistance .

A flat-surface drain, ideal both for pools and dry-deck applications as it is absolutely flat and its openings are designed to prevent toe entrapment.

It offers fast and efficient draining while the cover protects from leaves and debris clogging the lines .

Entirely made of AISI 304 stainless steel (or 316 on request) , it offers excellent corrosion and impact resistance .
