Dimension:

300 mm (W)- 345 mm (L) - 710 mm (H)

Controller

DMX DC MOTOR

Nozzle material

ST.ST 316L

Mounting:

Adjustable mounting

Water Level:

520 mm -700 mm

Pump

600 W - 24 VDC

H max

11 M

Protection

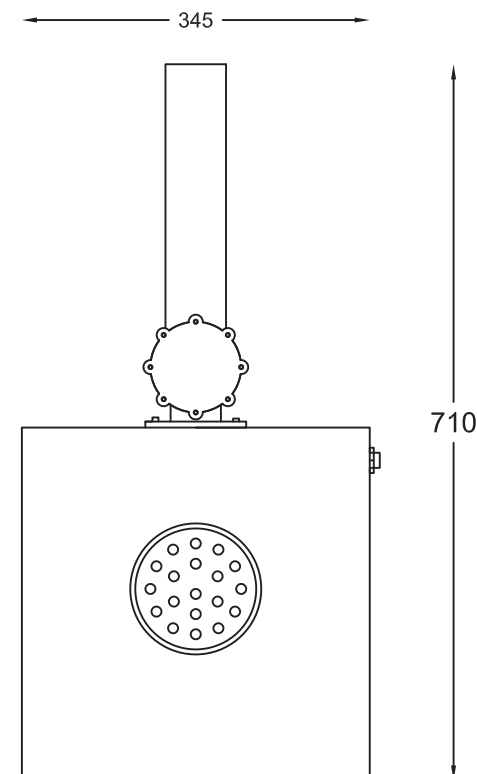

IP68

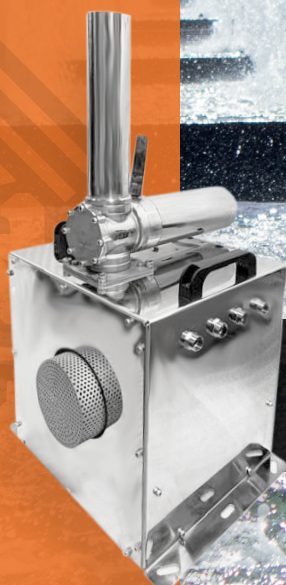

Control Protocol

DMX

Cable length:

10 M (custom length on request)
